Bob Genovese called, he will be coming next week with Adam Cohen and Brian Johnson. He will send us his red-lined mark-up on Monday of our deferral agreement, so we can understand their perspective on the termination language and the ARARs language (these seem to be their foremost concerns). I recommend we have a prep session with Greg.

I had not known we are starting on Wednesday afternoon: what time? I'll need to work with Gretchen to move the national homebuilders meeting, and a few others. Can you confirm our start/end times on Wed/Thurs?

Lastly, he asks if we three will be the EPA reps. I believe it may be helpful to limit the extent of EPA participation.
